“ Esther was my mother-in-law's (Gertrude Brost Pope) dear, dear friend. I loved the times I spent with Esther when she visited Gertrude in Maine. What energy, love, and intelligence!! Esther made us a lovely blanket, and we will treasure it always. Colin and I send our love to all of her family.

“ Esther was just a joy to be around. She only ever had good things to say. I remember her fondly from the chatting we did at Knollwood's front desk while I was a parttime receptionist there.

I am so sorry for your loss but what a tribute to say that she is a loss not only to her family but to all her knew her.

Blessings always,
Nancy Struble

“ Esther was a delightful fellow book lover. I enjoyed her comments on our book club books, as well as her other stories when we chatted. May her memory be a blessing.

“ I met Esther through my synagogue, Beth El, and their "Buddy" program in 2017. I had wanted to volunteer at Beth El after I retired from teaching. Esther and I clicked right away. She was feisty, knowledgeable, a good listener and so much fun to be with. I will miss her like a mother, and I am so grateful for Jeannie and Bruce to let me spend time with her. R.I.P. "Queen Esther".
