“ Dear Joel and Sharon and family,

We just learned about Han's death. We are are very sad. She and I spoke about every other week. She sent me some lovely flowers for my 70th birthday earlier this month and we had a long conversation shortly thereafter and she sounded pretty good. I know from our conversations that one of the things she loved the most was your extended family, especially the time she spent with her great nieces and nephews.

Our thoughts are with you. We have fond memories of Hanalee. She was a good friend and will be missed. Chipp and Barbara Tate

“ Hanalee and I had a chance to enjoy many conversations by phone, swapping family anecdotes and genealogy connections. So sad that our plans for her to come for lunch and a tour of our senior residence never happened. Life kept changing our plans. She was a precious cousin, deeply committed to her family and Judaism. May her memory be for a blessing. Love to you Joel, Sharon, Steven, Heidi and your entire families from cousins Barbie & Beth. Miss you all.

“ Hanalee and I went to Shawnee Mission East High School together. She was always a positive force in my life and I was so happy to reconnect with her via Facebook in recent years. I am deeply saddened by her passing and will miss her weekly posts reminding me of the sabbath. May her memory be a blessing to all her friends and family.

“ I was glad to have had a chance to stay connected with Hanalee through Facebook over the last few years. We were in Youth Group together, taught together, led programming for Jewish youth together, and built community. She was a co-traveler as I strengthened my foundation of Jewish life, and an influence for creativity. May her memory be for blessing.

“ Hanalee and I went to college together and worked to build Jewish life on campus. She was dedicated to the task and drew in people with her warm personality. May her memory be a blessing and her family be comforted along with the other mourners of Zion and Jerusalem.
