“ Dear Nancy and Steve,

Gloria and I are with you in spirit as you mourn the loss of your mother and mother-in-law, Helen. She lived a full life in service to her family and her community and she used her education to enrich the lives of her students. That's a life well-lived. Both of you have done the same and all of us are better for it. May your memories of Helen illuminate these days and bring you peace.

“ I'm so glad we were able to spend time together this past summer! Looking at the really old photos and Helen identifying all of our family, and cousins! I'm so grateful for the photos we all took together during the visit too! She was truly a matriarch, keeping the family as much together as possible. Take good care of yourself, and Glen.

Much love and our thoughts, Lonni, Tyne, and Spencer.

“ Dear Susan and family...Helen's smile and her twinkling eyes are what I will remember as well as her endless kindness, fabulous sense of humor and adoration of your dad. I am so sorry for your loss...she was one in a million. Dennis and I are unable to attend the service and funeral, I am sorry to say, but I look forward to seeing you, Lenny and your dad upon our return. Please give your dad a special hug from me, and we hold you, your sibs, and the grandkids in our hearts.
