“ Dear Jean Premack Family -- I had the privilege of having Mrs. Premack for my French teacher for two years at Osseo Senior High school, 31 years ago. I loved having her for a teacher, she was so wonderful and made learning French a great experience, and I still speak French today. She was one of my favorite teachers, and I will always remember her fondly. My sympathy, thoughts, and prayers to your family.

“ Do not stand at my grave and weep.
I am not there, I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you waken in the morning, hush.
I am the swift uplifting rush
Of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry.
I am not there, I did not die.

We knew Jean mostly in Tucson, and regret not being with you at this time.
Her life has been a blessing.

“ I am also a former student from Osseo High School. I spent 2 years learning French from "Madame". I can remember giggling in class one day when she told us a story about being in a hotel in France. She had no towel in her room, so she went down to the lobby to ask the hotel staff to find a towel for her. She told my class that she suddenly,absolutely could not remember the french word for "towel", so she had to ask if they could find her " a clean piece of absorbent material with which one dries themself off after taking a bath." She admitted to being a bit embarassed that she couldn't remember the word, but she did manage to get a clean "serviette"!! She was a fun teacher. Merci beaucoup, Madame!
