“ I was deeply saddened to learn from Ed today of Jo's passing. She was like my second mother. She was such a warm, encouraging and delightful person in my life. I have so many vivid memories. Of anually helping her make Hamantashen. Of her Borscht and Hungarian Goulash. So very many evenings she generously welcomed me to her table. She had a long, fruitful and active life. She will be greatly missed.

May You who are the source of mercy shelter your beloved Jo beneath your wings eternally.
