“ Sending my heartfelt condolences to Lisa and Geoff and your families at this very sad time.
Marion was the last of our parents best friends and an ethics is the end of an era for All of us. Her feisty spirit and fierce love of all those she cherished will stay with me and her beautiful smile and sense of fun, reminds me not to take myself too seriously.
I will miss our talks and her wise advice on how to not only survive but thrive in the face of challenge.
I loved her stories of my childhood and her devoted friendship to my mother gong all the way back to those early days on Florida avenue .
May she Rest In Peace , knowing that she was loved and will be remembered by all of us.
Love to you all, Ellen Kushner Siegel, Houston , Texas

“ I wish I got to know Marion better but what I did know she had a love for life that touched us all.

Favorite story has to be the one where she keyed a car that had boxed her in and caused her to miss her flight. When the cops showed up to investigate they weren't prepared for a fire breathing granny who had a better sense of justice than the could possibly understand

May she rest in peace

Seeya on the other side Marion!

“ My condolences to Lisa and Jeffrey. I have many fond memories of Marion and her first husband Orrie. They were very close friends of my parents Avis and Burton Savitt. I remember so many stories of both of your parents. I was even fortunate to have played golf with Orrie my father Burt and Jerry Hinitz. What a foursome. Your mother was a very sweet person and fortunately lived a long life. Sincerely, Douglas Savitt
