She is also survived by her step-daughter Nicole Norton; and step grandchildren, Joey O'Leary and Anthony Brown-Norton. Nothing was more important to Myra than her family and friends. She loved you all fiercely. Close behind her love for all of you, was her lifelong passion for animals, especially her beloved horses, Daisy, Jester, Dancer and Roxy. She would spend many hours of the day at the stables riding with her friends until the sun went down. Myra was beloved by her family and friends. “ Ray, Malcolm & All;

I am stunned to find this now, and to have missed Myra's funeral. Sending along my most comforting, healing hugs; I recall some of those long ago days in the neighborhood, and in more recent years, seeing Myra at MN Sinfonia concerts. I also regret not knowing she'd been ill.

Love to you all.

“ To the family and friends of Myra Fishman:

Words cannot describe the loss of this terrific person. Myra was very outgoing, had a great personality, and fun to talk to. When my wife Heather and I got married, she was there. She was so thrilled to be there along with Ray and It was great to see her. We were able to talk to her for quite awhile and catch up. Sadly, it was the last time we saw her.

Myra now is in a better place. She is not suffering anymore. She may be gone but Myra will not be forgotten. To her family and friends, we want to send our deepest condolences.

Rest In Peace Myra! We love you!

“ Dear Dear Myra, I miss you more than you would know. Although we only saw each other once a year, I always cherished our time together to catch up on our lives and share "Bubbie pictures"! It was always as if no time had passed between us and we were able to pick up where we last left off.
I remember running around the neighborhood on Thomas Avenue with you and Malcolm. In and out of each others houses. Your parents were always around to greet us. We had a rambunctious group of kids to play with up and down the block and across the alley.
As we got older and each went our separate ways, we still managed to share our life stages and changes. I remember how impressed I was when you took me to see your horse in Hanover! Sharing our own kids achievements, lighting up about our grand kids.
I am so thankful you remained a valued, cherished lifelong friend and want to extend my deepest condolences to your beautiful family.
Myra, you can be proud of the beautiful legacy of the life you lived.
I will always remember you and cherish you in my heart.
Your friend Love Evie!

“ In memory of my dear friend, Myra, I thank her for her kindness and loving spirit. We had wonderful rides together on horseback in Crow-Hassan Park and other beautiful settings in MN and SD. Myra was a good confidant, well-ridden horse person, and longtime friend. I've been missing her already, because she advised me on my latest horse trip to what I'll say may be a favorite place for her, 7D Ranch in Cody WY, of which I only shared my experiences minimally with her. I will always think of Myra as I enjoy my photos and memories of my trip, but also when we visit 7D Ranch in the future. Myra, you have a place in my heart. Love, Peggy Lynn Miller

“ To: The Fishman Family & Malcom & Deb Gordon,

We all go down that eternal road. For Myra it was way too soon. Years ago in 1969 I traveled to Minneapolis to meet my wife Jamie's family. I was nervous and scared to meet so many wonderful people. The one family member that left a glowing impression on me was this beautiful young lady who came right up to me with a gorgeous smile and welcomed me, a stranger into the family and made me feel right at home. I never forgot her wonderful outgoing personality and her beauty inside and out. Many times over the years our families got together and enjoyed stories of her family and ours.

I pray she is now free of pain and suffering and with other departed family members whom she deeply loved in life. Myra's passing is truly a heartfelt loss. Our deepest sympathy goes out to her family and friends.

Love You Myra,
