“ I am so sorry to hear about the loss of your mom, Janet...she was such a sweet and lovely lady. I've been meaning to share with you that I've visited her a few times over the past couple of years while she was a neighbor of my Aunt Mariellen at Jones-Harrison. I would go into her room and if she was not sleeping, I would say Hi Myrna, I'm Debby Blindman, a friend of Janet's! and she would say, I know Debby Blindman, and I'd say, yes, that's me! She would smile and share her photos of you and your daughter, she was so proud of both of you, and then she would say, it was so nice of you to come in and say hi! And I would say, it was so nice to see you, Myrna, take care and say hi to Janet for me! She was so kind and sweet. May she be in peace. All of my love to you during this very difficult sad time...hugs. Love, Debby

“ My daughters are 40 and 42 now and have never forgotten what a special person Myrna was. They realize, as I do how lucky they were to have her in both their classes in different years. She brightened their day. May she rest in peace and her memory bring a smile to your heart. Judi Jacobson

“ Janet, Steve, Mary and families:
I remember when I lost my mother. Steve, you were with Myrna in California for Myrna's aunt, my mom's 90th birthday party. It was both expected and a shock. The family feels smaller with her passing.
With eternal love,
Cousin Clarissa

“ Myrna helped raise a generation of children at the Aleph School including my own. With care and compassion, she exuded love. And long after they graduated, she continued to inquire about them. If you were lucky enough to be in her classroom, you would agree with the sentiment, "Everything I needed to learn, I learned in kindergarten." Thank you Myrna. Your memory is a blessing. “ Our thoughts and prayers are with you at this sad time. Myrna was a wonderful preschool teacher. Our children were so lucky to be a part of her life and learn from her. Her smile, kind manner and love of children were infectious. Every time we saw her, she always asked about the well-being of our children, even as they became adults.
Myrna will be remembered with great fondness by the many lives of whom she touched. She will be very missed. May her memory be a blessing.
Sending her family bubbles of healing thoughts.
Fondly,
Missy, Joel and the Lavintman family

“ My sincere condolences on Myrna's passing. I was in shock when I learned of her passing. She was more than assistant to me, she was our third teacher. She was with me forever. At times she was my Mom. Myrna touched everyone she came in contact with! Please know I will keep Steve, Janet and Mary(of course Myrna) in my thoughts and prayers. Just know that Myrna will be remembered always by anyone with Aleph School!
Myrna was one of a kind! Scotty

“ We are saddened by Myrna's passing. I, Pat, met Myrna just a couple of times but remember her as friendly with a wonderful smile. I enjoyed talking with her and appreciate being able to have known her.

From Marty--I remember her coming to California for a year in high school in Glendale. She stayed with Aunt Pearl and Grandfather Jacob Wolf. Specific memories fail me but I do remember her as a bubbly, friendly, always smiling person.

Our condolences on her passing. Love to all the family.

“ Dear Steve, Mary, Janet and family,
We are so sorry to learn of the passing of our beloved Myrna. My children, Michelle and Justin, were the luckiest recipients of her love and tender care as they attended the Aleph Pre-School every day of the week from age two up until Aleph School graduation day. And we know Myrna gave them extra special attention due to the lifetime friendship of my Aunt Kaye and Myrna. We will think of her fondly when we reminisce and may her memory be a blessing.

“ I was so sorry to hear of Myrna's passing. She was a bright light in the Aleph School for over 30 years. I had the pleasure of sharing this part of her life with her. She loved the children and they in turn gravitated to her warmth and compassion. She even became somewhat of a surrogate grandmother to my youngest daughter, Jessica. She always saw her off to camp, bringing her a bag of goodies for her bus ride to Herzl. Jessica remembers her thoughtful and caring nature. As we say goodbye to Myrna, please know that Jessica will be welcoming her first child this weekend. The new generations will continue and we are fortunate to have the memories of so many wonderful people like Myrna to share with the new children. May her memory comfort comfort you at this time.
