“ In the nearly 68 years of knowing Sandy, I can't think of another person outside my family who I have shared as many life's experiences. Two high school friends who married two guys who had been friends since third grade meant we celebrated birthdays, anniversaries, holidays & watching our families grow up. Sandy was always Sandy with her many wonderful interests and that spark of mischievousness. We shared many laughs & some tears but never stopped being friends. We always believed we little people could take on the world. She certainly did her best. I'm going to miss her.

“ Sandy was so fun, full of life, so energetic and upbeat. Our parents were good friends, so I've known Sandy all my life. As adults, we were in Book Club together, and we were able to continue our friendship. She loved her family, her tennis, her birding, and travel. I feel blessed to have been her friend. “ We are so sorry to hear of Sandy’s passing. For years Sandy was a dedicated volunteer at the JCC. She enthusiastically brought her wonderful gardening skills to the Center working on the development of several gardens that beautified the Center. Our sincere condolences to Ed, Norman and Nedra and their families for their loss. She will be sadly missed. Burt and Lucille Garr
